P R E F A C E

Bucher Berg is not only a beautiful camp site, but the staff makes your stay even more pleasurable with services and program offers in July and August.

On the next pages you will find a short overview of these activities.

Groups **can book various programs well in advance of their stay** - which makes our preparation easier -, but also spontaneously on site.

Please be aware that we cannot guarantee the actual realization of all activities as they depend on the number of guests on the site, the availability of staff or the weather. But we will do our best to fulfill your wishes!

Please inform us about your plans ahead of your trip by calling **+49 911 4304264** **or writing to info@bucher-berg.de**. This is highly recommended if you want to book the canoe trips.

We are an international guide and scout camp, and every year our non-German staff members bring great new ideas from all around the world. Find out what they are and book them on site!

We offer activities in five different categories:

Creativity, Environment and Nature, Scouting, Sports and Action, and Internationality. If you take part in all program offers in one category you will receive the respective badge as a reward!

NIGHT HIKE

All cats are grey in the dark. Explore the surroundings of the camp in a different light (or without any light) and see who is wandering around beside you after sunset.

Please make sure you inform the staff about your night hike, because we have to inform the forester. You can go on your own with the free information form the program office.
