## Welcome to the International Guide and Scout Camp Bucher Berg!

Be part of the international camp 2021 during 12th July to 21st August 2021!

Honestly, if you compare us with the other European international camps, we are one of the smallest, even that we are existing since than thirty years now. So we celebrate our 30-year anniversary this year!

AND: We are different. We are special. And we are a little bit strange – in the positive sense!

### Where are we?

We are positioned on a high plateau on the edge of the sunny, sometimes rough valley of the river „Altmühl“, surrounded by **one of the nicest conservation areas of Europe**. If you don't know this lovely place (which we really cannot believe ☺), it's almost in the middle between Nuremberg and Munich, both you can reach easy within two hours.

If you still don't know it – please check out N49° 5' 32" / E11° 38' 19". Here we are!

### What or who are we, and what are we doing there?

The owner of the place and it's program is the VCP Bayern, Verband Christlicher Pfadfinderinnen und Pfadfinder Bayern, (the Association of Christian Girl Guides and Boy Scouts in Bavaria) with it's headquarter in Nuremberg.

The camp site is operated as a guide and scout camping place from April to end of September. In the months of July and August the international camp takes place here. In this time, we offer a very attractive program with lots of activities, and that's also the time in which our international staff is here for working and helping us to take care for our guests. The time around the international camp, you can book the place on your own, but we don't offer program or staff.

### International camp, that means:

- An international staff with **members from all over the world**.
- Groups of girl guides and boy scouts from all parts of Europe, we have enough space for **up to 500 guests at the same time!**
- Diversified program: We offer mainly scouting– and experiential learning based activities, which we develop and improve continuously. In the last years we had walk-in activities, handcrafting, low ropes courses, bow and arrow activities, canoeing, nature protective measures, droppings and so on... There are really no creative boundaries here!

### And what about you? Little bit interested? We want you in our staff!

No matter if you are a girl or a boy – if you are at least 18 years old and also member in the WAGGGS or WOSM, you can fill in the application form below. Everything you have to consider, what you get and what we want from you, all those items we have written in the next pages.

So don't be shy – we are looking forward to you!
